Bellevue, Washington 98004

January 28, 2009

TO THE DIRECTOR OF THE PATENT AND TRADEMARK OFFICE:

In response to the Final Office Action dated October 28, 2008, applicants request that the above-identified application be amended as set forth below. Applicants respectfully request that the Examiner consider the Remarks presented herein and enter this amendment. While entry of after-final amendments is not a right, it should be noted that in the event the Examiner does not believe this amendment places the case in condition for allowance, this amendment does present the claims in better condition for appeal, and entry of after final amendments placing an application in better condition for appeal is appropriate.
